Dear Budding Talents!

December was the busiest month for SICASA Ernakulam during the year 2019. We reached the fag end of the calendar year, we were completely into all aspects of student life – education, sports and arts.

As a part of the continued endeavor of SICASA to ensure that the students remain updated, we organised weekly workshops wherein experienced members interacted with the students to keep them abreast with the dynamic environment that we work in. Career counselling for students continued during the month. Around 400 students across various colleges and schools were provided with counselling by the Managing committee with the help of other members.

We visited a few of the best Companies around Ernakulam including M/s BPCL, M/s FACT, M/s Synthite Industries Limited to understand the operations of the industry and how finance department contributes to the overall success of these companies. We also had the good fortune to visit a tea factory at Wandiperiyar and took time out to enjoy the scenic beauty of the place. SICASA Ernakulam commenced the 33 rd batch of ICITSS – Information Technology as well as the 26 th of ICITSS – Orientation Programme at the Branch in December. Ernakulam Branch of SIRC continued the 14th batch of AICITSS – Advanced Information Technology and the AICITSS – MCS at Ernakulam Branch during the month.

In December we have the biggest Gala event of SICASA, the EKAH on the 8 th December. Two Cine

actresses on the same day was not an easy task to handle, But Ms Rajeesh Vijayan and Ms Nayana Prasad made the task a cake walk for us. The talent of the student were really amazing to watch and their energy unparalleled.

We conducted a football match as planned – the response was overwhelming! 21 teams participated. It was one memorable day in the life of all the participants. We also conducted an Athletics meet at Maharaja's college ground which was well participated. A torch rally was conducted as a part of the athletic meet from the Branch to the venue. This was inaugurated by the Chairman of Ernakulam branch of SIRC of ICAI – CA Sreenivasan P. R. Track and field events were thoroughly enjoyed by one and all equally.

The most exciting event was the 2 awards we won during the month. Violinist Mr Alosin Joseph won the 1 st prize at national talent hunt conducted by our institute for CA Students.

Ernakulam SICASA won the 1 st prize for the All Kerala Football Tournament conducted by SICASA Calicut. We sincerely hope that we continue the winning spree in the coming years.
